PREMIUMS

All premiums are payable on or before the date they are due.

We have the right to change the premium rates on any premium due date in accordance with the terms of the Policy. If the rates are changed, we will give at least a 31-day advance written notice to the Policyholder.

If the premiums increase because a change in benefits increases our liability, premium rates may be changed on the date that our liability is increased, without regard to any premium rate guarantee.

A change to your premium may also occur if you choose to convert your insurance to a conversion policy after becoming ineligible under this Certificate. See the Conversion Option section for further details.

TERMINATION OF INSURANCE

Your insurance will cease on the earliest of:

1. The date of your death;
2. The date on which you cease to be eligible for coverage;

We will have the right to terminate the coverage of any Covered Person who submits a fraudulent claim under the Certificate.

Extension of Benefits - Whenever termination of coverage under this section occurs due to termination of your employment, such termination will be without prejudice to:

1. Any Hospital Confinement which began while coverage was in force; or
2. Any covered treatment or service for which benefits would be provided and which began while coverage was in force; provided, however, that the Covered Person is and continues to be Hospital Confined or receiving treatment.

CONVERSION OPTION

If you are under age 70 and you lose eligibility for this insurance for any reason other than nonpayment of premiums or termination of the Group Master Policy, you will have the option to convert this group coverage to a policy we are issuing for the purpose of conversions. You will receive notification of this Option from the Group Policyholder at the time your insurance terminates.

You must complete a written request to convert and pay the first premium to us no later than 31 days after the date of your termination under the Policy. If you are interested, please request an application from the Policyholder and submit to us within 31 days of your termination date. The converted policy will be issued, without Evidence of Insurability, on a policy form then available for conversions, which is most comparable to this Certificate.

The initial premium for the converted policy for the first 12 months and subsequent renewal premiums will be determined in accordance with our table of premium rates as of the converted policy's effective date applicable to the age and class of risk of each person to be insured under the converted policy and to the type and amount of insurance provided.

The effective date of the converted policy will be the day following the termination of insurance under this Certificate.

This Conversion Option is available for the Insured and the Insured's covered Dependents, but only if the Insured is also exercising the Conversion Option.

CLAIMS PROVISIONS

Claim Forms - Claim forms should be used for filing Proof of Loss. We will send such form to the claimant within 15 days of receipt of notice of claim. If we fail to supply the proper claim forms within 15 days, you can give proof in writing setting forth the nature and extent of the loss within the time stated in the Proof of Loss provision.

Claims Procedure - Due Proof of Loss must be submitted to us at our Administrative Office. You or a personal representative may obtain a claim form by calling our toll-free telephone number listed on the Cover Page.

Notice of Claim - Written notice of claim must be given to us at our Administrative Office or to our agent. Such notice should be made within 30 days after any loss covered by the Certificate. If it is not reasonably possible to give notice within that time, the claim may not be denied or reduced due to the delay.

Payment of Claim Benefits - Benefits may be assigned to the provider(s) of such benefits. Otherwise, all benefits payable under the Policy will be paid to you. Accrued benefits that are not paid at your death will be paid to your Spouse, or if there is no Spouse, then to your estate. We may pay up to \$1,000 of such benefit to one of your relatives at our discretion. Such payment fully discharges us to the extent of the payment.

Payments to the Texas Department of Human Services - After written notice to us at our Home Office, benefits payable on behalf of a Child whose parent is covered by this Certificate must be paid to the Texas Department of Human Services in the following situations:

1. The parent covered under this Certificate is (a) required to pay child support by a court order or court-approved agreement and is a possessory conservator of the Child under a court order issued in Texas, or (b) is not entitled to possession of or access to the Child; and
2. The Texas Department of Human Services is paying benefits on behalf of the Child under Chapter 31 or 32, Human Resources Code; and
3. We are notified, through an attachment to the Notice of Claim at the time the claim is first submitted to us that the benefits must be paid directly to the Texas Department of Human Services.

Proof of Loss - Satisfactory written Proof of Loss must be given to us at our Administrative Office. Proof must be sent within 90 days after the date of such loss.

Failure to furnish such proof within such time will not invalidate nor reduce any claim if it was not reasonably possible to furnish such proof and that it was furnished as soon as it was reasonably possible. In any event, the proof required must be given no later than one year from the date proof of loss is otherwise required, unless the claimant was legally incapacitated.

Time of Payment of Claims - We will notify a claimant in writing of the acceptance or rejection of a claim not later than the 15th business day after the date we receive all items, statements, and forms required to secure final Proof of Loss. If we are unable to accept or reject the claim within the period specified, we will, within that same period, notify the

claimant of the reasons that we need additional time. We will accept or reject the claim not later than the 45th day after the date we notify a claimant under this provision. We will pay all benefits due under this Certificate not later than the 60th day after the date Proof of Loss is received.

GENERAL PROVISIONS

Assignment - The Insured may assign benefits under this Certificate. We assume no responsibility for the validity or effect of any assignment of this Certificate or any interest in it.

TRANSFER INSUREDS RIDER

This Rider is attached to and made part of the contract as of the Rider Effective Date. It is issued in consideration of the Application and payment of any required initial premium. All provisions of the contract not in conflict with the provisions of this Rider apply to this Rider.

DEFINITIONS

Prior Plan means the Policyholder's plan of group insurance, if any, under which you were insured on the day before the Effective Date of the Policy. The Prior Plan must provide the same type of coverage (equivalent coverage) as is provided under the Policy to which this Rider is attached.

Prior Plan Benefits mean the benefits, if any, that would have been paid under the Prior Plan had it remained in effect, and had you continued to be insured under the Prior Plan.

Transfer Insured is an Insured who was insured under the Prior Plan on the day before the Effective Date of the Policy.

CONTINUITY OF COVERAGE

We will provide continuity of coverage as described below if you were covered under the Prior Plan.

If you are a Transfer Insured not in Active Service on the Effective Date of the Policy due to a reason other than a Total Disability, and would otherwise be eligible to become insured under the requirements of the Policy, we will cover you and any eligible dependents for the lesser of what you would receive under this contract or what you would receive under the Prior Plan Benefits until the earliest of:

1. The date you return to Active Service;
2. The end of any period of continuance under the Prior Plan; or
3. The date coverage terminates, according to the provisions of this contract.

Any benefits payable under the conditions described above will be paid by us:

1. As if the Prior Plan had remained in effect; and
2. Will be reduced by any benefits paid or payable by the Prior Plan.

If you are a Transfer Insured but were not in Active Service due to Total Disability on the Effective Date of the Policy, you are not eligible to become insured under this contract. However, if the Prior Plan did not provide an Extension of Benefits for Total Disability, we will apply the Extension of Benefits for Total Disability under this contract, reduced by any benefits actually payable under the Prior Plan.
