 A CHOICE FOR MEMBERS

Your choice program-Choice90.^{Rx}

MedImpact, your prescription benefits manager, understands the importance of choice when it comes to meeting your health care needs. That's why Choice90^{Rx} is now part of your prescription drug plan!

“Today’s consumers want the freedom to choose how, where and when they get their prescriptions, and are apprehensive about prescription fulfillment by mail—fearing loss, delay or even medication error.”

What does Choice90^{Rx} mean to you?

Choice & Convenience

You may have your prescriptions filled through mail order or at a participating local retail pharmacy. **You decide what's best for you.**

Savings

If you take medication on an ongoing basis, you can obtain up to a 90-day supply from a participating local pharmacy at a reduced copayment rate. **You save money and time by filling prescriptions less often.**

Personal Interaction

Counseling from a pharmacist can help you understand the benefits and risks of your medications and other health issues. **A pharmacist is available to answer your questions every time you drop off and pick up your medications.**

Web Services

Many participating pharmacies offer online ordering for prescription refills. You can also request refill reminder emails or set up automatic refill shipments. **Your pharmacist can talk with you about available services.**

Safety & Privacy

The system maintains your prescription history to determine if there are any interaction problems with your drug therapy. **All personal information remains completely confidential. Your safety and privacy are important!**

Timeliness & Peace of Mind

Since a participating local pharmacy is close to home, there are no more worries about ordering refills ahead of time or delays that could result in gaps in your treatment. **You have peace of mind knowing that your prescription is being filled by the participating local pharmacy of your choice.**

Access

To find a participating pharmacy near you, go to www.medimpact.com/members, (click on the "Go to Member Login" button, sign in, then click on the "Pharmacy Locator" link) or contact your pharmacy directly. **You have access to many pharmacies in your neighborhood.**

How it works.

When you need a prescription for medication taken on an ongoing basis, tell your doctor about Choice90^{Rx}!

For New Prescription Medications:

1. Ask your doctor for up to a 30-day supply of the medication on one prescription. This ensures the dosage and therapy is appropriate for your treatment.
2. Ask for a second prescription to allow a refill for up to a 90-day supply of the same medication to continue the therapy.

For Refills:

1. Ask your doctor to specify up to a 90-day supply of medication on the prescription.
2. Take the prescription to a participating Choice90^{Rx} pharmacy and present your identification card.
3. Your pharmacist will process the prescription and request the appropriate copayment amount.

About MedImpact

MedImpact is a pharmacy benefit manager who works with your health plan to get you the medication you need. Our goal is to make it as easy as possible for you by working with your health plan and pharmacy to provide timely and essential information about your medicine, including how to take it correctly, potential side effects, any lower-cost drug options, and more.
