

BENEFITS FOR YOUR UNIQUE NEEDS

**TRANSELITE®
UNIVERSAL LIFE INSURANCE**

TransElite is universal life insurance, underwritten by Transamerica Life Insurance Company, that can help provide financial protection at a competitive cost.

HELP PROTECT THE PEOPLE WHO DEPEND ON YOU

Andrea chose universal life insurance because she didn't want to worry about what would happen to her 5-year-old, Samuel, in the event of her death. It helped her feel better about his well-being to know her life insurance death benefit would help him if the worst happened. Universal life insurance can help safeguard your family members' futures, with benefits that can assist with your final expenses and their dependent care, living expenses, or college tuition.

HELP GIVE YOURSELF PEACE OF MIND

Andrea is doing her best to save for retirement. Her universal life insurance policy builds cash value¹ so she can borrow against it in the future and protect her savings if an unexpected expense arises. In her later years, her built-up cash value will continue to pay her cost of insurance, maintaining her policy even after she retires. Life insurance should fit you, and we don't limit you with a one-size-fits-all approach. Whether you're more interested in ensuring your ability to keep a death benefit from now until you're 100, just want to add to your term life policy, or want to build cash value for your heirs, our universal life insurance policy works for just the right segment of the population: you.

¹ Upon written request, employees may borrow up to the available loan value of their certificate. The interest rate on cash value securing loans is 8.0% (7.4% in advance) with a minimum loan amount of \$250. The loan value of the certificate is the cash value less the amounts of any existing loans, loan interest payable in advance to the next certificate anniversary, and three monthly deductions.

USE YOUR BENEFITS WHEN YOU NEED THEM MOST

Fifteen years after Andrea signs up for universal life insurance, her son Samuel's car (older than her policy) breaks down in his junior year of college. She borrows against her policy's cash value to get him a reliable car, and they pay it back together by the time he graduates.

Life is unpredictable. Universal life insurance offers help that goes beyond traditional life insurance to meet challenging situations. If you need to borrow against the cash value, you can pay it back when times get better.

If you're diagnosed with a terminal illness, you can use a portion of the policy's death benefit to make a difficult time easier.³ If you're laid off, monthly deductions are waived for up to six months so you maintain your policy.⁴

TAKE OUR PORTABLE, FLEXIBLE POLICY WITH YOU

You have the option to keep your insurance when changing jobs and we can adjust premiums, death benefit, and cash value amounts to meet changing personal financial situations like getting married, having a child, buying a house, or seeing your child through graduation.

ELIGIBILITY

You can insure your eligible spouse, children (as Andrea did), and grandchildren with their own policies or purchase protection for your children through a child level term life insurance rider. The chart below gives the ages at which you and family members may apply, but all universal life policies can be maintained up to age 100.

	AGE LIMITS	BENEFIT
SELF	Ages 16 through 80	\$150,000 benefit, not to exceed 5x base salary
SPOUSE OR EQUIVALENT BY LAW	Ages 16 through 65	\$15,000 benefit
CHILDREN/GRANDCHILDREN	Ages 0 through 25 years	\$25,000 benefit
CHILDREN UNDER OPTIONAL CHILD TERM RIDER	Ages 15 days through 25 years	\$20,000 benefit

² Acceptance based on answers to questions on the application for insurance.

³ Accelerated Death Benefit for Terminal Condition Rider. This rider is not available in Louisiana, Massachusetts, Ohio, or Washington.

⁴ This benefit is provided by the Waiver of Monthly Deductions for Layoff or Strike Rider. This rider is not available in Connecticut, Massachusetts, Puerto Rico, Tennessee, Vermont, or Washington.

Loans, withdrawals, and death benefit accelerations will reduce the policy value and the death benefit and may increase lapse risk. Policy loans are tax-free provided the policy remains in force. If the policy is surrendered or lapses, the amount of the policy loan will be considered a distribution from the policy and will be taxable to the extent that such loan plus other distributions at that time exceed the policy basis.

Summary of Benefits

Accelerated Death Benefit for Qualified Terminal Condition Rider (Rider Form Series CRLTI100) - Accelerates a portion of the life insurance death benefit if the insured person is diagnosed with a terminal condition which, in the best medical judgment, will result in death within 24 months.

When exercised, an administrative fee of \$100 plus 24 months advanced interest will be deducted from the benefit payment. The death benefit and other contract values will be reduced accordingly and this rider will terminate.

Accidental Death & Dismemberment Rider (Rider Form Series CRLAD100) - Pays accidental death and dismemberment benefits if an insured employee or spouse dies or suffers dismemberment as the result of a covered accident. The accidental death benefit is equal to the amount of universal life insurance or \$150,000, whichever is less. The dismemberment benefits range from 25% to 100% of this amount, depending on the type of dismemberment. This rider is not available for children. This rider is available through age 65 and terminates on the employee's 70th birthday.

Waiver of Monthly Deductions for Layoff or Strike Rider (Rider Form Series CRLWL100) - Waives the monthly deductions for up to six months per year if the employee is involuntarily laid off. Benefits are limited to three layoffs per year and are based on the employee's layoff only. Layoff of an insured spouse or child does not qualify for this waiver. Premium payments must have begun prior to the insured employee's layoff. Rider is available through age 55 and terminates on the employee's 60th birthday or when the insurance is assigned to another party, whichever is earlier.

Waiver of Monthly Deductions for Total Disability Rider (Rider Form Series CRLWM100) - Waives the monthly deductions while an employee is totally disabled. Once the six month waiting period is satisfied, monthly deductions will be waived retroactively to the commencement of total disability and continue as long as the employee remains totally disabled, subject to certain conditions. The disability must begin after age 16 and prior to age 60. Benefits are based on the employee's total disability only. Total disability of an insured spouse or child does not qualify for this waiver. Rider is available through age 55 and terminates on the employee's 70th birthday.

Child Term Insurance Rider (Rider Form Series CRLCH100) - Allows an insured employee or spouse (but not both) to insure all eligible children, age 15 days and no older than age 25, for the selected amount of term insurance. Insurance on each child terminates on that child's 26th birthday or when the parent's insurance ends, whichever is earlier. Upon the termination the child has 31 days in which to convert to an individual contract for up to 5 times the amount of insurance under this rider or \$50,000. All children in the family will be insured for the same insurance amount.

Limitations and Exclusions

If an insured employee withdraws the cash value, tax consequences and/or surrender charges may apply.

Fluctuations in interest rates or policy charges may require the payment of additional premiums.

Individuals currently on disability or on premium waiver are not eligible for insurance.

During the first two years, the death benefit for suicide is limited to the return of premiums paid, less any loans, partial surrender amounts, and accelerated benefits paid, if any.

These advances may or may not require the payment of interest, depending upon the agent's total business and historical experience with TEB.

Agents may receive other compensation from TEB in the form of cash or non-cash awards or prizes, based upon a variety of factors that may include the level of premium written or earned, persistency and growth of premium, or other performance measures. Some of our agents may receive additional payments for providing services in connection with the administration of our products. Fees for such services may be calculated on a per policy or per certificate basis or upon the premium volume associated with a specific case. TEB may additionally reimburse these agents/administrators for certain expenses, such as the cost of mailings.

Agents may occasionally obtain exclusive rights to market TEB products or services to agents, employers, employees, or members of associations or unions. Certain groups or associations may also agree to endorse TEB's products to their members. TEB may pay a fee for these exclusive marketing rights or endorsements.
